WHERE IS THE COURSE?

Studio is upstairs to Glenwood bakery. Look for the OCA Studio signs. The studio is at the Citadel Co-Working Space. Address: 394 Esther Roberts Rd, Glenwood, Berea, 4001

By Taxi: Take the Umbilo Taxi from the Workshop; have them drop you off in front of the Glenwood Bakery (then go upstairs at the Citadel Co- Working space) It's by the Umbilo police station.

DO YOU NEED TO BE EXPERIENCED?

None needed... We'll teach you everything there is to know in the TV/Film acting world. You will be filmed every class, to help you lose that fear of working in front of the camera. You will also see yourself on the projection screen the following week in class so you can see your progress on what to improve on, and how well you're doing. There is also a showcase performance on your last day of class to help with your nerves, as well as others to see your progress. It will amaze you how well people come in just 3/4 weeks!

DO YOU GET A CERTIFICATE?

In the acting world it's a tad different, all you need is a headshot and a CV. These tell the Casting Agent, and or Director what TV/Film work you have done lately, as well as training and special skills you may bring to the table. So, no certificate is needed. Trust me; the big CD's out there don't care about certificates. they care about the experience and or knowledge you have in this industry.
